

THE HARLEY STREET  
ACADEMY  
OF ADVANCED  
ENDODONTICS

# Endodontic Fellowship Programme

Course Dates,  
Module Breakdown &  
Payment Terms

# Dates & Module Breakdown:

## **PART 1 – ENDODONTIC BOOTCAMP**

Location – Clinical skills laboratory – Holborn, London

### **Day 1 – Sunday 07.04.24**

- Principles of endodontic treatment
- Introducing light and magnification
- Access cavities – new principles and paradigms
- Canal location and negotiation

### **Day 2 – Sunday 14.04.24**

- Rubber dam techniques – quick and simple
- Canal preparation – modern minimal canal preparation techniques
- Canal disinfection techniques, including ultrasonic irrigation
- Laser-assisted irrigation – embrace the bubbles
- Advanced preparation with multi-mode electronic handpieces

### **Day 3 – Sunday 12.05.24**

- Maintaining accuracy with treatment templates
- Appointment protocols – one visit v multi-visit treatment. The ultra-low dose scan review protocol & inter-appointment Dressings
- Obturation techniques using bioceramic sealer
- Q & A – endodontic conundrums

### **Day 4 Sunday – 19.05.24**

- Modern endodontic diagnosis – limited volume CBCT in endodontics
- Practical manipulation, interpretation and reporting of CBCT scans
- Boot camp summary and reflection

## **PART 2 – CLINICAL OBSERVATION**

Location – Academy of Advanced Endodontics, 99 Harley Street

**Days 5 – 8 / 01.06.24 – 01.09.24**

Clinical observation – a minimum of four days spent in the surgery, observing the endodontists at work and discussing cases and treatments. Choose and book sessions at your convenience, up to six sessions.

## **PART 3 – ADVANCED SKILLS TRAINING**

**Day 9 – Sunday 15.09.24** Clinical Skills Laboratory

- Endodontic retreatment techniques
- Procedural errors and solutions
- Resorptions – management of complex canal shapes

**Day 10 – Sunday 22.09.24** The Academy, 99 Harley Street

- Digital workflows – cutting-edge endodontics – static and dynamic guidance
- Designing and 3D printing an endodontic guide
- Clinical and administrative orientation

## **PART 4 – CLINICAL TREATMENT SESSIONS**

Location – Academy of Advanced Endodontics, 99 Harley Street

**Days 11 – 20 (Tuesdays) / 08.10.24 – 28.02.25**

Clinical treatment sessions – 10 days of supervised patient case assessment and treatment. Patients are seen and treated in our state-of-the-art surgeries using advanced endodontic equipment. Pre-session case discussion and analysis and post-session reflections and feedback.

## **PART 5 – CONCLUSION AND SUMMARY**

Location – Academy of Advanced Endodontics, 99 Harley Street

**Day 21 – Sunday 02.03.25**

Discussion, reflection and consolidation bring together your newly acquired knowledge and skills and understanding of the ongoing benefits of the Fellowship Programme and membership of the Academy of Advanced Endodontics.

# Payment Terms

To allow for easier budgeting, we allow monthly payments (made on or before the due date for each invoice), but we need you to complete a direct debit mandate. This will be forwarded to you by the fellowship administrator Joanne upon confirmation of your booking.

We will accept monthly credit card payments (on or before the due date for each invoice), but only if you cannot set up a direct debit due to not having a GBP current account. This is primarily for non-UK-based delegates.

Alternatively, we can arrange for you to receive a single invoice for the whole programme amount, and the entire balance would then be payable in one lump sum.

**Please contact our administrator to finalise these details:**
